Sunflower House is the first and largest Children's Advocacy Center in the state of Kansas. For more than 30 years it has been dedicated to the prevention of child abuse in Johnson and Wyandotte counties and has been a leader in providing child abuse prevention and intervention services in the community. Sunflower House addresses its mission by presenting child-abuse prevention education to approximately 20,000 children, parents and professionals, in addition to providing forensic interviews, family support, and therapy for more than 500 children alleging abuse and their family members each year. Our vision at Sunflower House is to see safe children thriving in nurturing families and communities.
